IN SOLIDARITY WITH ALL UKRAINIAN PEOPLE

Dear our friends and partners in Baranivka. with Russia launching an open war in Europe, we are following the events in Ukraine with great concern. We are convinced that the members of the European Union and the NATO Alliance must stop the growing aggression against the innocent people of Ukraine. We wish strength to all the people of Baranivka municipality and Ukraine, and we sincerely support Ukraine's independence, territorial integrity and the preservation of internationally recognized borders. Preserving Ukraine's sovereignty is also a guarantee of security for all of us.

We would also like to ensure that the Ukrainian people can count on our support if necessary. You are in our thoughts and hearts! We wish you strength and endurance of the spirit!

Long live free Ukraine!
